

## Dr Louis Nisbet D.Sc Appointed Chairman

GlycoForm is pleased to announce that at their Board Meeting yesterday, 3rd November, 2009, Dr Louis Nisbet D.Sc was appointed non-executive Chairman with immediate effect. Dr.Nisbet brings a wealth of senior board level management experience, with an extensive financial, pharmaceuticals and biotechnology background.

CEO David Scales said 'we are really looking forward to working closely with Louis. His wide experience in funding and working at Board level will be of great benefit to us.'

Louis Nisbet said ' the Company has made great progress over the last sixteen months in terms of strategic direction and pushing projects forward. We now need to concentrate on commercialisation through partnering and judicious investment. GlycoForm has a great team and with committed investors and a supportive Board we shall focus on value creation and realisation.'
